

DELEGATE JAMES: Yes.

*(Whereupon, the motion was duly seconded.)*

THE PRESIDENT: Is your motion that further consideration of section 3.14 be made a special order for Tuesday, January 2, following the other special orders?

DELEGATE JAMES: Yes.

THE PRESIDENT: Is there a second to that motion?

*(Whereupon, the motion was duly seconded.)*

THE PRESIDENT: Delegate Grumbacher.

DELEGATE GRUMBACHER: I have absolutely no objection to making it a special order for that time. I think it is a serious question and should be decided when there are more members here.

THE PRESIDENT: Delegate James, I do not want to get into another parliamentary tangle on Tuesday. My problem is under the rule previously announced with respect to reconsideration, if we have a final vote, then Rule 59 would apply to let it lay over two days, and quite frankly we do not have two days. May I therefore suggest to you, sir, that you move to reconsider the vote by which Amendment No. 10 was adopted, and then move that that motion and further consideration of section 3.14 be made the special order for next Tuesday.

DELEGATE JAMES: I so move, I make that combined motion.

THE PRESIDENT: You withdraw the previous motion, I take it?

DELEGATE JAMES: Yes.

THE PRESIDENT: Is there a second?

*(Whereupon, the motion was duly seconded.)*

THE PRESIDENT: Delegate White?

DELEGATE WHITE: Mr. President, I thought I was suffering from poor visibility for a few seconds. Is this issue debatable as to whether or not an item should become a special item of business for Tuesday?

THE PRESIDENT: Yes, it is. If you will let me state the question—

DELEGATE WHITE: Thank you.

THE PRESIDENT: The motion has been duly made and seconded that the vote

by which Amendment No. 10 was adopted be reconsidered and that that motion and further consideration of section 3.14, as divided, be made a special order for Tuesday, January 2, 1968, following the other special orders. The motion has been seconded. It is now open for discussion.

Delegate White.

DELEGATE WHITE: Mr. President and members of the Convention, it was quite enlightening to hear our learned Second Vice-President of this Convention state that he could not believe that we had taken the action which he had just witnessed. I sat here with him and others for hours while the many issues were debated, including this important issue which failed by a bare margin then.

Mr. Chairman, we have steeled ourselves, most of us, to rely on less debate, because we have heard all of the issues before. Nothing new is being presented. Therefore, on this occasion we only required a couple of statements by Delegate Mitchell and some others, and we voted. Now someone says they are amazed.

Mr. Chairman, unless Tuesday is going to be a 48-hour day, we cannot get through by January 12, so I would ask the Convention to turn down this motion and let's get this thing over with today.

Thank you.

THE PRESIDENT: Is there any further discussion?

*(There was no response.)*

Are you ready for the question?

*(Call for the question.)*

The question arises on the motion to reconsider the vote by which Amendment No. 10 was adopted, and to make that motion and further consideration of section 3.14 as divided a special order for Tuesday, January 2, 1968, following the other special orders. A vote Aye is a vote in favor of the motion. A vote No is a vote against. All in favor signify by saying Aye; contrary No.

The Chair is uncertain. Roll call vote. A vote Aye is a vote in favor of the motion, a vote No is a vote against.

For what purpose does Delegate Hardwicke rise?

DELEGATE HARDWICKE: May I request that the Chairman ring the quorum bell, please?

THE PRESIDENT: The Clerk will ring the quorum bell.
